INTRODUCTION

Welcome to the Exclusive Edition of the Bukit Vista Villa Property Standards Guidebook

Amidst the diverse tapestry of natural beauty and rich cultural heritage, each villa at Bukit Vista offers more than just accommodation; it's an awakening experience that inspires. We proudly present the latest edition of our villa property standards guidebook, a meticulously crafted and organized compendium designed to enhance the quality and consistency of your tranquil retreat amidst breathtaking surroundings.

Within these pages, you will discover comprehensive details on all aspects that make the Bukit Vista villas not just a lodging choice, but a vanguard of hospitality standards. From impeccable building conditions and comprehensive amenities to charming aesthetic touches, each element is curated to ensure your utmost comfort and satisfaction.

This edition combines our collective wisdom, honed through years of experience, with the valuable feedback from our esteemed guests. Every standard we set is our pledge to you; a pledge that underscores our commitment to providing an oasis of serenity that you can call home, even when you are away from home.

We invite you to explore and use this guide as your compass to navigate and appreciate the excellence of each Bukit Vista property. Enjoy your journey to the pinnacle of an unforgettable experience.

Bukit Vista
Finding Warmth on Every Horizon

ONLINE TRAVEL AGENT

Collaboration with Online Travel Agents (OTAs)

We kindly request our esteemed partners to provide information regarding any Online Travel Agents with whom they are currently collaborating. It is imperative to note that if there is no existing partnership with any OTAs, partners are encouraged to align with the OTAs that Bukit Vista is affiliated with, ensuring a unified and streamlined booking experience.

Should there be any existing agreements with alternative OTAs, we respectfully require that these listings be re-evaluated. To maintain the integrity of our shared standards and to enhance our collaborative success, partners are obliged to withdraw from other OTAs and integrate with Bukit Vista's preferred OTA network.

We believe this harmonization amplifies our collective offerings and benefits all stakeholders, allowing us to provide an exceptional experience to our guests. We greatly appreciate your understanding and cooperation in this matter.

BUILDING CONDITION

To ensure the highest quality standards for all properties associated with the Bukit Vista network, we introduce the following categorization of building conditions:

A. Brand New (Has Not Operated) - Properties that have never been operated before, offering everything completely new for our first guests.

B. Newly Built (Less than 1 Year Old) and Ready to Accept Guests - Properties that have been finished recently and are fully prepared to welcome guests with the latest amenities.

C. Newly Built (Less than 1 Year Old) but Not Yet Ready to Accept Guests - Properties that are near completion and will soon be ready to welcome guests with all the standards of Bukit Vista.

D. 1 to 3 Years Old and Recently Renovated or Well-Maintained - Properties that have been established but are kept in good condition or have recently been renovated to ensure the best experience for guests.

E. Old and Not Well-Maintained, but Owner Is Willing to Fix Before Signing the Contract - Properties that require additional attention, yet the owner demonstrates a commitment to improving conditions before use.

F. Old and Not Well-Maintained, Owner Not in a Rush to Fix Due to Income or Resource Limitations - These properties require further investment and attention to reach the standards set by Bukit Vista.

G. Old and Need Maintenance.

We ask our partners to regularly evaluate and update the condition of their buildings to align with these criteria, to guarantee an unforgettable experience for every guest who visits.

NOTES: The brand serves only as a reference; what is most important is the availability of the items at the property.
